Portfolio itaiagami.com

Creative Director and hands-on designer with 5+ years of experience across commercial film, broadcast identity, product launches and global campaigns. I develop visual concepts, shape narratives and lead multidisciplinary production, combining design craft with 3D visualization and AI-assisted creative workflows.

EXPERIENCE

Natural Intelligence

Creative Art | Jan 2025 - Jun 2026

- Developed concepts and produced static, motion and video assets for global insurance and finance campaigns.
- Initiated and developed an AI-assisted resizing MVP for creative adaptation across formats.
- Partnered with copy, growth and data teams to test narrative hooks and refine creative using performance insights.

Elements

Creative Director | Nov 2023 - Mar 2024

- Led brand narrative, visual identity and product design for a climate-tech platform, directing creative across product, web and marketing through launch.

Shortcut Playground

Art Director | Feb 2021 - Sep 2023

- Art directed broadcast, commercial and cultural projects, developing visual concepts and brand systems with directors and production teams.
- Led designers, animators and developers across motion, interactive and immersive productions.

EDUCATION

Shenkar Handesaim

Media Design | 2018 - 2020

Graduated with honors.

SELECTED WORK
